**DECISION**

Applicants' "Petition for Revival of an International Application for Patent Designating the United States Abandoned Unintentionally Under 37 CFR §1.137(b)" filed with the national stage papers on 06 October 2005 is hereby **GRANTED** as follows:

The basic national fee and petition fee have been paid. Applicants' statement is sufficient to meet the requirements of 37 CFR 1.137(b)(3). A terminal disclaimer is not required. Accordingly, all requirements under 37 CFR 1.137(b) have been satisfied.

The declaration filed 06 October 2005 is not in compliance with 37 CFR 1.497. The declaration consists of one Page 1 and three Page 2's. While each inventor need not execute the same oath or declaration, each oath or declaration must contain a complete listing of all inventors so as to clearly indicate what each inventor believes to be the appropriate inventive entity. By providing only a partial declaration, it is not clear what inventive entity was listed on the declaration signed by each co-inventor. Applicants must submit the complete declaration signed by each co-inventor.

This application is being forwarded to the United States Designated/Elected Office for further processing including mailing a Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) (Form PCT/DO/EO/905) indicating that an oath or declaration in compliance with 37 CFR 1.497(a) and (b) is required.
